Utsav-A multi-cuisine vegetarian restaurant located at 221, Tivoli Road, Secunderabad has been operational from February 2000. A 150 year old building has been renovated to this shape, with décor that can rival any five star hotel to make it the biggest success story of the vegetarian kind. Utsav, commissioned in March 2000, is a vegetarian restaurant serving Indian, Chinese, South Indian, and Continental & few Thai delicacies in a simple yet elegant setting.

With capacity for 160 people, Utsav serves elaborate buffets for lunch and dinners. The fare is varied-Indian, Chinese, a smattering of Continental and the ubiquitous South Indian Thali. It has been an eventful 8 years of Utsav. Festivals of all faiths-Christmas, Id or Diwali are celebrated with gaiety. In fact the whole idea is to make life a celebration.

Festivals of another kind are ushered in regularly, the Khyber Food festival, serving from the North-West Frontier, the Tawa festival, the Punjabi food festival, Jaspal-Di-Bhatti, Balti Feast, Gujarati, Dakshin Food Fest, Five cuisine Feast, Rajasthani food festival, Kebabs & Parathas, Kashmiri Food Fest, Lucknowi Food festival, all added to the celebration.

All these ensure a high level of adrenalin in the 250-strong team at Biligiri Hotels, who enjoy work, as much as play, which is a part of the work ethic here. Cricket matches, talent searches, fancy dress shows, or just plain let -your-hair-down and dance are all way of life. The next day, work is attended to with the same zest and training is de rigueur.

This focus ensures a consistently delightful service and delicious fare. Utsav has been named as the "Best Restaurant of the Year" (2001-02, 2003-04, 2004-05, 2005-06, 2006-07) by the Association of Catering Professionals, Hyderabad.

In addition to this, Utsav is also selected as the Best Vegetarian Restaurant by the Times Food Guide and also by the Diners Club International & the most Prestigious 'Award of Excellence' from the Department of Tourism & Culture, Government of Andhra Pradesh in the Restaurants Category for the year 2003-04, 05, 06-07.
